

433U *Smooth Side* Dump Body

*A continued tradition
since the early 1900's*

Tough & Versatile

The Galion 433U smooth side body is especially designed for heavy-duty hauling requirements. It is well-suited for construction work, aggregate hauling and bucket loading. All units are built of tough high tensile steel to virtually outlast and outperform all others. Recommended for single axle underbody hoist applications.

**POWDER
COATED
PRIMER**

- *Horizontal pressed V-brace sides*
