

453U

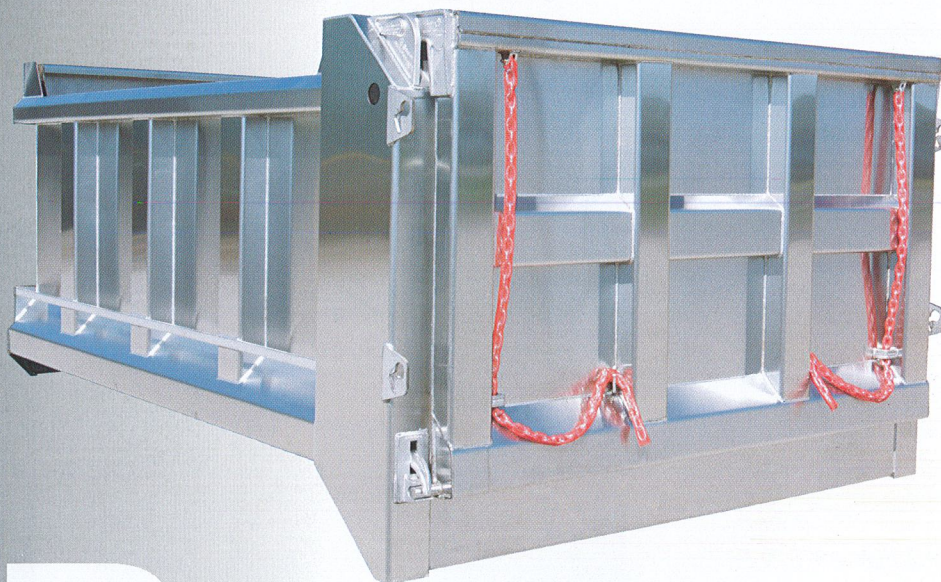

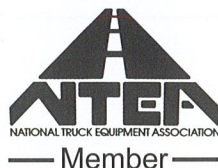

Stainless Dump Body

*A continued tradition
since the early 1900's*

Tough & Versatile

The Galion 453U is a heavy duty stainless steel body that is well suited for aggregate hauling and spreading, and is ideal for snow removal applications. This heavy duty body features full depth rear corner posts and bolster, 6-panel tailgate and continuous weld throughout.

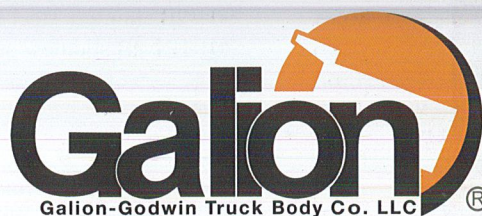

- *Material-shedding boxed top rails*
- *3/16" AR450 Hardox floor*
- *7 gauge stainless steel sides*
- *Crossmemberless understructure*
- *6-panel tailgate*
- *Tarp-friendly upper gate hardware*
- *Double acting tailgate*

A 23" cab protector is
an option for the 453U
