CELEBRATING 60 YEARS!

Have the NEW C2-60 or C2-60S Options Package added to your next Classic II

Reading has upgraded our options package for the premium Reading Classic II service body. The C2-60 and C2-60S packages offer our most popular and industry exclusive options bundled together:

Latch-Matic®
C2-60

Remote locking system with audible confirmation and security alarm also activates lighting.

C2-60S

As above, but includes Latch-Matic Smartshield™ for hands free locking.

Aluminum Treadplate

Protective guards on front of body panels and on top of tailgate.

LED Lights

Compartment and cargo bed lighting activated by the security system. LED also used for stop/tail/turn/reverse lights.

Extend-A-Shelf™

Modular compartment drawer system provides easy pull-out access to contents.

The C2-60 and C2-60S packages are available on the following models:

- Steel 98, 108 and 132 Quick Mount Dealer Advantage
- Aluminum 98, 108 and 132 Quick Mount Dealer Advantage
