

The New Standard Operating System™

Improved ground clearance with advanced in-cab controls

With up to 9 full inches of ground clearance, the Meyer Standard Operating System lets you carry your plow high and be even less prone to bottoming out.

With a drop speed you can adjust to suit your style and better lights for improved night vision, you aren't missing a beat or a snowflake. All of which is going to mean higher efficiency and happier customers.

The new **STANDARD OPERATING SYSTEM™**

Available with the following Meyer plows:

- Drive Pro™
- Lot Pro™
- Diamond Edge™
- Road Pro-32™

Introducing the new standard in plow operation

Industry-leading ground clearance for improved stacking and transport height. It works with:

- 6'8" and 7'6" Drive Pro™
- 7'6"- 9' Lot Pro™ and Diamond Edge™
- Road Pro-32™

Dual halogen Nite Saber® III lights for better visibility.

Streamlined appearance with an encased power unit that features adjustable drop speed and patented cable management system.

- New lift frame and light bar for greater stability
- Tubular-steel A-frame for greater durability

Pistol grip controller featuring Hands-Free Plowing™, one-button functionality and diagnostics.
