

WALK-BEHIND SPREADERS

# RESTORE ORDER TO ANY WALKWAY

Conquer sidewalks with a BOSS Walk-Behind Spreader. Simply and efficiently spread up to 100 lb of material with the professional-grade BOSS Walk-Behind Spreaders. Side and front adjustable baffles, weather cover and grate are all included, and both stainless steel and poly hopper options are available. It's another way the innovations at BOSS are built to BACK YOU UP.

STANDARD FEATURES:

- > Poly 80 lb, 100 lb
- > Stainless Steel 100 lb

- > **Hopper Construction** available in both stainless and poly.
- > **Available in 80 lb. or 100 lb. Capacity** to fit your needs.
- > **Enclosed Metal Gears** prevents debris interference.
- > **Adjustable Slide Gate** allows for adjustable opening for spreading a broad range of material.
- > **Powder Coated T-Handle With Rubber Grips** for professional use (poly only).
- > **Adjustable Front and Side Baffles** controls directional spread pattern.
- > **Solid Steel Linkage** allows the gate to open and close completely with precise adjustment.
- > **Wide Tread 12" Pneumatic Tires** to handle the winter terrain.
- > **Conical Auger** helps agitate material and minimize clumping.

\*All images shown may include standard/optional equipment. Please consult your local BOSS Dealer for more information.

# MATERIALS GUIDE

NOTE: Assumes Dry, Free-Flowing Material

# BOSS SNOWPLOW AUTHORIZED ACCESSORIES

**PRO-LID**

Weather seal protects deicing material inside the BOSS Spreader. The easy open, ergonomic design allows operators to remain on the ground while opening cover doors.
