

WALK-BEHIND SIDEWALK PRODUCTS

THE NEXT STEP IN SIDEWALKS

A cleaner surface is a safer surface. It's that simple. The complete line of FISHER® walk-behind sidewalk brooms, sprayers and spreaders will help you and your crew leave walkways and pavers as clean as they can be, with as little time and effort as possible.

RB-400 WALK-BEHIND ROTARY BROOM

GET DOWN TO THE SURFACE

Sidewalks are one of the biggest reasons you'll get called back to a job. The FISHER® RB-400 walk-behind rotary broom helps get walkways cleaner by scraping and sweeping snow all the way down to the surface. It's also perfect for areas that are tight up to buildings, curbs or edging. Whether it's just a light dusting, heavy wet snow or compacted snow that was walked on or driven on before you got to the job, the walk-behind rotary broom will take care of the situation quickly and leave you with a clean that is unmatched.

- Unique brush-head design features angled outer bristles to thoroughly clean along curbs and edging
- Adjustable broom-rotation speed and adjustable down-pressure adapt to any job
- Floating, pivoting broom head gives you five angle settings to adjust the trajectory of snow
- Quick-attach plow blade features wheels and floating design to move heavy or deep snow
- Seven-position handlebar height adjustment for operator comfort
- Active-assisted steering and freewheel feature for 360-degree turning

Optional debris catcher and turf bristles are available for spring cleanup.

SPECIFICATIONS

| Empty Weight | Overall Dimensions (LxWxH) | Speed | Forward Gears | Reverse Gears | Brush Pressure Adjustment | Adjustable Handle Height | Engine | Tires | Snow Blade Width | Brush Diameter | Brush Width | Fuel Capacity |
|--------------------|---|---|---------------|---------------|---------------------------|--------------------------|------------------|--------------------------|--|------------------|-----------------|--------------------|
| 238 lb (108 kg) | 72" x 40" x 42½" (183 cm x 102 cm x 108 cm) without blade 80" x 40" x 42½" (203 cm x 102 cm x 108 cm) with blade | Up to 2.7 mph (Up to 4.4 km/h) | 3 | 1 | Yes | 7 position | Honda® 4.5 hp | Polar Trec Snow Tires | 40" wide 37" angled (102 cm wide, 94 cm angled) | 16" (40.6 cm) | 40" (102 cm) | 0.5 gal (1.9 L) |

The Legacy Rolls On

SS-120 WALK-BEHIND SIDEWALK SPRAYER

PRETREATED SIDEWALKS SCRAPE CLEANER

With the FISHER® SS-120 walk-behind sidewalk sprayer, you can pretreat the surface with liquid anti-icer to help prevent ice from bonding to the pavement, and make it easy to scrape clean after the storm. The FISHER walk-behind sprayer gives you battery-powered convenience and a heavy-duty spray wand for stairs and other places where granular deicers are ineffective, such as curbs and steps. With pretreating, you can use less salt, save time and deliver exceptional results.

- 12-gallon poly tank with easy-fill cap handles any de-icing liquid
- Electric pump sprays up to one gallon per minute at 60 psi
- Battery powers up to ten full tanks, and recharges in 12–16 hours
- Height-adjustable nozzle and convenient spray wand

SPECIFICATIONS

| Empty Weight | Dimensions Overall (LxWxH) | Capacity | Spraying Width | Spraying Volume | Frame | Tank | Motors |
|--------------------|---|--------------------|-----------------------------|--------------------------|---------------------|-------------------------------|----------------------------|
| 60 lb (27.2 kg) | 48" x 28" x 33" (122 cm x 71 cm x 84 cm) | 12 gal (45.4 L) | Up to 48" (Up to 122 cm) | 1 gal/min (3.8 L/min) | Powder-coated steel | One-piece LLDPE safety yellow | 12-volt, direct-drive pump |

WALK-BEHIND SIDEWALK SPREADERS

FOR PROFESSIONAL ICE MELTING WITH ROCK SALT

When it's time for commercial-grade, ice-melting performance, FISHER professional walk-behind spreaders stand up to their name—featuring sturdy construction, a poly hopper with top screen and clear hopper cover, powder coated steel frame and 13" pneumatic tires. Whether you're drop-spreading along narrow walkways or broadcast spreading across wider areas, FISHER walk-behind spreaders will deliver years of professional-grade performance.

WB-160D DROP SPREADER

- 160 lb capacity
- 3' wide, adjustable material-delivery slot

WB-100B BROADCAST SPREADER

- 100 lb capacity
- Nylon-composite gear drive
- 10" molded spinner, spreads up to 20' wide

SPECIFICATIONS

| Models | Capacity | Hopper Construction | Dimensions Overall (LxWxH) | Approximate Weight (empty) | Spinner Size | Spreading Width | Materials |
