

Quick-Hitch

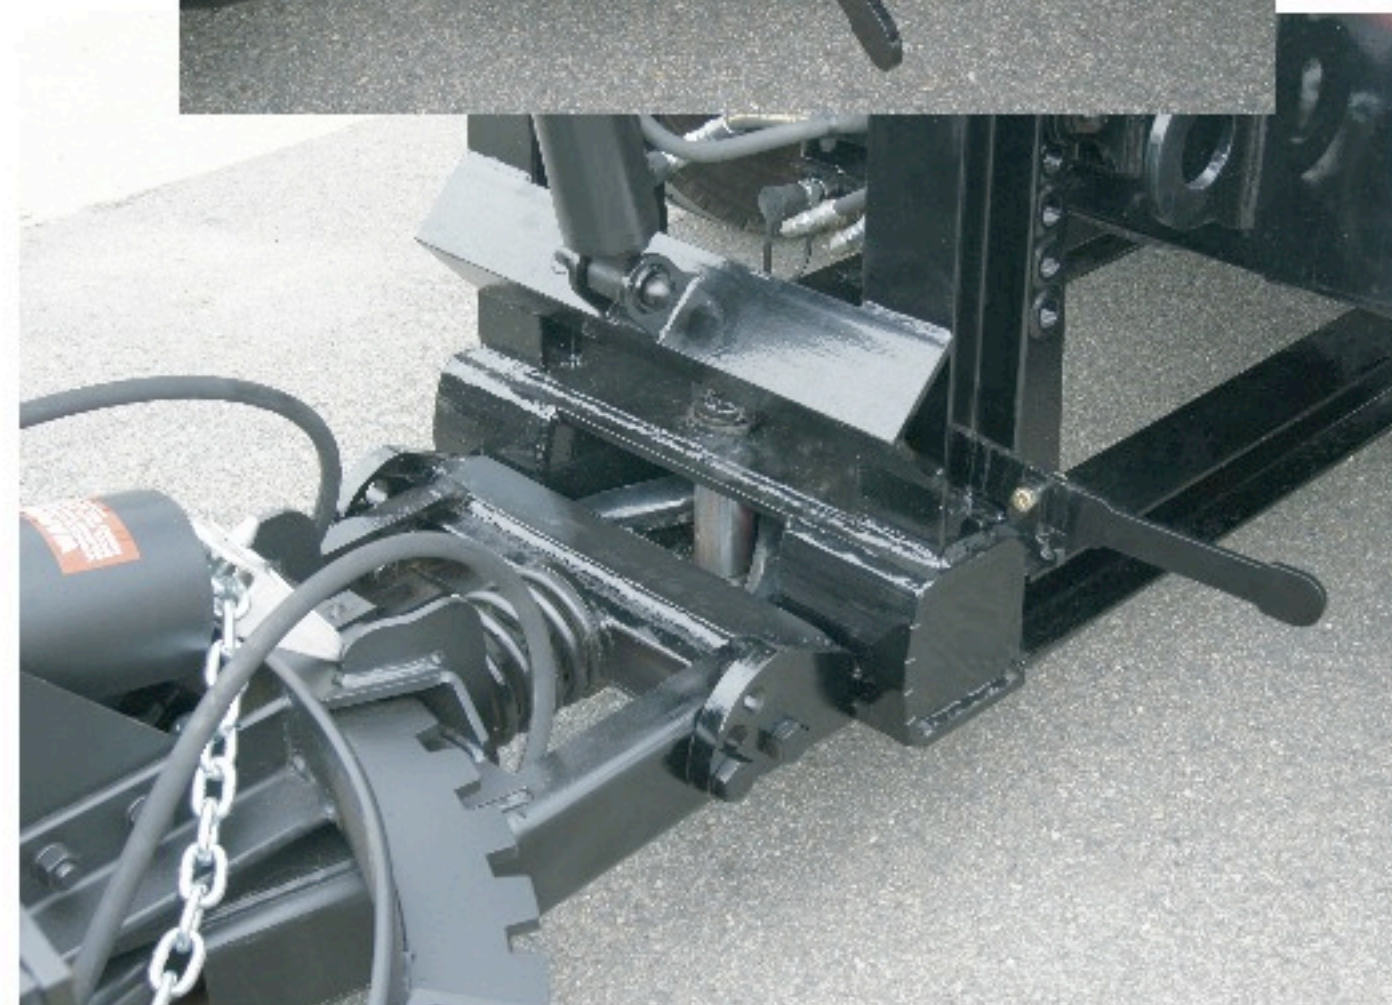

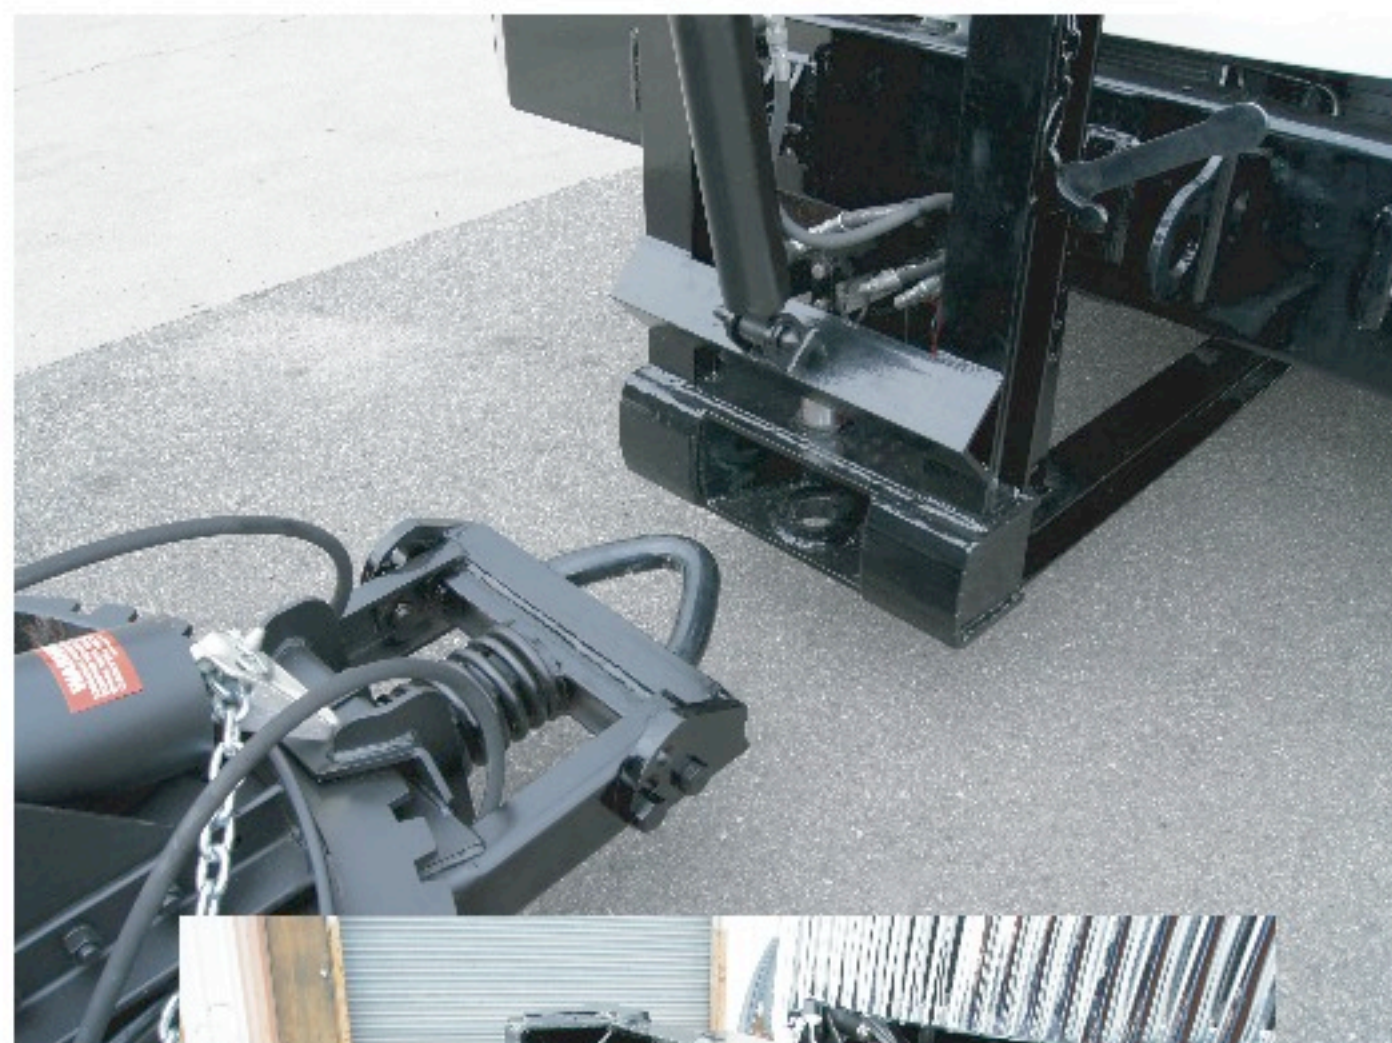

Godwin Mfg's Quick-Hitch makes life easier.

Connect your plow in five minutes or less!

- No more prying or lifting
- No more tools
- No more beating in pins
- No more lost pins or clips
- One man – five minutes

Quick-Hitch features:

- One man operation
- Just drive up and hook-up
- Few moving parts and no lost parts
- Does not hinder plow motion
- Super heavy duty construction
- 2" solid steel loop (plow portion)
- 2" Chrome retaining pin (frame portion)
- Can be ordered as an option on our GN-200 pushframe
- Available as a retrofit
