STANDARD WFL SERIES ADVANTAGES INCLUDE:

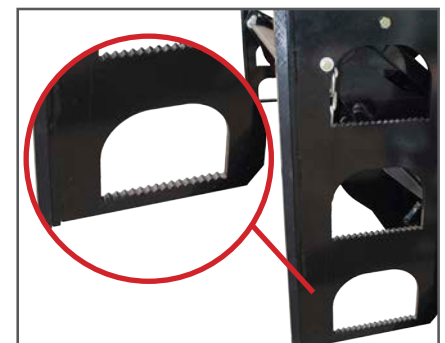

- Sturdy Steel Platform prolongs the life of the liftgate and protects the platform from warping or denting
- Bed extension with reinforced angle along entire width makes installation easier and reduces dishing
- 46" to 56" bed height range
- Folding Parallel Arm with simple bolt and shim platform adjustment makes installation quick and painless
- Bolt-on Bumper features 3 steps for driver accessibility and safety
- UHMW Wear Pad on Bumper protects the liftgate from damaged caused by backing into loading docks
- Retaining Arm engineered with a spring designed system creates simple spring tension adjustment
- Closed Hydraulic System with dual single acting cylinders
- Powder coat finish with zinc primer on key liftgate components produces a high-quality finish that is exceptionally resistant to corrosion and abrasion
- Cycle counter included for convenience
- Dedicated ground included standard with the liftgate
- Gravity down

WFL-33

SLIM LINE PLATFORM

Platform remains level as it lowers from bed level to ground level

WFL features rigid 3 steps on bumper for added safety and convenience.

Designed Simplicity - Maximum Performance

WFL SERIES

FLIPAWAY GATE

WFL platform in stowed position

UHMW wear pads will withstand the harshest weather and road conditions and protect liftgate from dock damage

Waltco's traditional side-by-side lifting arms feature the newly designed folding parallel arm. This new feature allows for maximum platform widths, while still maintaining a slim line design that is pallet jack friendly.

SPECIFICATIONS:

Bed Ht: 46" - 56"

| Model | Capacity | Vehicle Width | Platform | Ramp |
|--------|------------|---------------|-----------|------------|
| WFL-25 | 2,500 lbs. | 96" | 58" x 82" | 9" (Fixed) |
| WFL-33 | 3,300 lbs. | 96" | 58" x 82" | 9" (Fixed) |
| WFL-25 | 2,500 lbs. | 102" | 58" x 88" | 9" (Fixed) |
| WFL-33 | 3,300 lbs. | 102" | 58" x 88" | 9" (Fixed) |

Note: Platform size increases by 6" with the 102" wide vehicle

OPTIONAL EQUIPMENT:

- Hand-Held Pendant Control allows driver to operate the truck from the ground or bed level
- Cab Shut-Off Switch allows operator to shut off power to control switches, preventing unauthorized use of the liftgate
- Dual Controls for street-side or curbside operation for added driver convenience
- Galvanized option
- Customized Options - contact factory
