## **Method of Operation 2/3/26**

### **T0126 - OEM and Non-OEM Maintenance and Repair Services for Light/Medium Duty Vehicles Bid Solicitation #25DPP01052**

#### **1. Purpose and Intent**

The purpose of this contract is to provide qualified Contractors to OEM and Non-OEM Maintenance and Repair Services for Light/Medium Duty Vehicles (15,000 lb. GVWR or less).

The services provided by this contract are open to Cooperative Purchasing Participants.

Parts-only purchases are **not** permitted.

#### **2. Term of Contract**

The base term of this Contract is for a three (3) year period with an option to be extended up to two (2) years with no single extension exceeding one (1) year. This Contract will commence on February 3, 2026.

#### **2. Directions for Use of Contract**

Ordering Agencies will consult the Method of Operation to find awarded Contractors in their County that are awarded the Price Line(s) for the services needed. Ordering Agencies shall utilize awarded Contractors who are located in the County that the Agency requires service. Ordering Agencies shall utilize the Contractor whose contract terms and conditions are most advantageous, price and other factors considered.

If there are no awarded Contractors on a Price Line in that County, or if the awarded Contractors are unable to complete the service, an Ordering Agency may choose to utilize a Contractor in a County adjacent to the County that the agency is physically located in.

Ordering Agencies shall utilize Price Line #72 to pay for any parts required in a repair. See Bid Solicitation Section 4.2. Price Line 72 is a net line for agency use only, and shall only be utilized for net pricing of pre-authorized parts and/or lubricants installed/utilized.
